

CANADIAN FLAT RATE SHIPPING

EXAMPLES:

TENT COST = \$500
FREIGHT COST = \$25

TABLE COVER COST = \$100
FREIGHT COST = \$5

Ship your orders via FedEx Ground directly to their final destination in Canada

How does it work?

As an NRI (Non-Resident Importer), Showdown Displays pays duties and custom brokerage fees enabling seamless delivery with no unexpected CODs or hidden charges.

GROUND SHIPPING

EXAMPLES:

TENT COST = \$500
FREIGHT COST = \$25
TABLE COVER COST = \$100
FREIGHT COST = \$5

Showdown Displays NEW Flat Rate Shipping Program will:

- Prepay all transportation costs to the final destination, including freight, brokerage and duties.
- Bill you the cost of product, and Canadian Federal and Harmonized Provincial Taxes (GST, HST) based on your location.
- Freight will be calculated at a FLAT RATE of 5% of the total invoice price (Product & Services)
- Note: The Canadian Federal and Harmonized Provincial Taxes (GST, HST) are not included in the Freight calculation. Only Product and Services.

The entire cost of your order and shipment appears in US Dollars on your Showdown Displays invoice.

Exceptions:

- Expedited Shipments: Any expedited shipment will be made using FedEx International Priority. As a result, Showdown Displays will pay brokerage fees, tariffs, and duties, but ALL freight costs from Minnesota to the final destination, as well as applicable Canadian taxes, will be billed to the Distributor.
- Third-Party Shipments to Canada are not available at this time
