### FLAT GROUND RATE SHIPPING PROGRAM INCLUDES:

- All transportation costs to the final destination, including shipping charges, brokerage + duties.
- Ground shipping charges will be calculated at **FLAT 8%** of the total invoice price in USD. (Products & Services)
- Note: The Canadian Federal and Harmonized Provincial Taxes (GST, HST) based on your location are not included in the shipping charges calculation. Only Product and Services.

The entire cost of your order and shipment appears in US Dollars on your Peerless Umbrella invoice.
