

Meco ECO Bear

Introducing Meco, crafted from eco-friendly materials! Standing at 12" tall, Meco is made from 6 recycled plastic bottles, reducing waste and promoting sustainability. With soft brown fur and embroidered eyes, he's both cuddly and safe for all ages, meeting CPSIA standards. Recycled paper hangtag. White or black t-shirt, also made from recycled plastic, printed with a full color digital heat transfer. Whether gifted or used in marketing, Meco embodies the importance of recycling and responsible consumer choices.
