

FLAT RATE SHIPPING PROGRAM: 10% ON MOST COMPASS BRANDS

*** MAMMOTH ITEMS ARE EXCLUDED**

SHIP YOUR ORDERS VIA FEDEX GROUND DIRECTLY TO THEIR FINAL DESTINATION IN CANADA

HOW DOES IT WORK?

Canadian distributors purchasing products for shipments into Canada qualify for flat **5% (or 10%)** ground shipping. As an NRI (Non-Resident Importer), Compass Industries pays duties & custom brokerage fees, to make delivery seamless with no unexpected CODs or hidden charges.

GROUND SHIPPING

EXAMPLE FOR 10% RATE:

ORDER COST: \$100
SHIPPING CHARGES: \$10

EXAMPLE FOR 5% RATE:

ORDER COST: \$100
SHIPPING CHARGES: \$5

FLAT GROUND RATE SHIPPING PROGRAM INCLUDES:

- All transportation costs to the final destination, including shipping charges, and brokerage + duties.
- Fedex Ground shipping charges will be calculated at **FLAT 5% (or 10%)** of the total invoice price in USD. (Products & Services only)
- Note: The Canadian Federal and Harmonized Provincial Taxes (GST, HST) based on your location are not included in the shipping charges calculation. Only Product and Services.

The entire cost of your order and shipment appears in US Dollars on your Compass Industries invoice.

EXCEPTIONS:

- Expedited Shipments: Any expedited shipment will be made using FedEx International Priority. As a result, Compass Industries will pay brokerage fees, tariffs, and duties. ALL shipping charges from New York to the final destination, as well as applicable Canadian taxes, will be billed to the Distributor.
- Third-Party Shipments to Canada are not available at this time.
- Freight Shipments (Truck): Any orders that require TRUCK or FREIGHT shipping requirements due to size or specialty packaging requests that are too large to ship GROUND will be reviewed before production. Please reach out ahead of time for a freight estimate to determine best shipment method.
